

## **Collective Worship/Assemblies at Stanton Harcourt CE School**

At Stanton Harcourt CE School we try to ensure our daily collective worship sessions are inspiring, invitational and inclusive.

Monday: Teacher Led Collective Worship

Tuesday: Reverend Jo Hurst Collective Worship

Wednesday: Individual Class Collective Worship

Thursday: Musical Collective Worship

Friday: Celebration of Achievements Assembly

We often invite members of the community in to school to share their experiences and expertise linking to our current theme. During collective worship we explore national events, e.g. International Women's Day and discuss matters that affect our school and local community.
