Stanton Harcourt CE Primary School

Anti-Bullying Policy

Review date: July 2023

Aims:

The aim of Stanton Harcourt CE Primary School is to ensure that our children learn in a supportive, caring, and safe environment without fear of being bullied. We want every member of our school community to feel valued and respected, and for all persons to be treated fairly both inside and outside of school.

- All staff, governors, pupils and parent/carers should have an understanding of what bullying is
- All staff and governors should know what the school's policy on bullying is and should act on it when bullying is suspected or reported
- All pupils and parent/carers should know what the school's policy on bullying is, and what they should do if bullying arises

Responsibility:

Headteachers have a legal duty under the School Standards and Framework Act (**1998**) to ensure staff are aware of procedures. Governors are responsible for regular reviewing of the policy.

Definitions:

At Stanton Harcourt School we define bullying as - *'Repeated (systematic) aggressive verbal, psychological or physical conduct by an individual or group against another person or persons'*

Child friendly definition - *Bullying is when you keep picking on someone because you think you're cooler, smarter, stronger or better than them.*

What is bullying:

- Behaviour by an individual or group, usually repeated over time that intentionally hurts another individual or group either physically or emotionally
- Bullying is the use of aggression with the intention of hurting another person
- Bullying results in pain and distress to the target of the bullying
- Bullying is **NOT** having a single argument or fight with someone
- Bullying goes on deliberately, over a period of time
- *Bullying can happen to anyone*

Types of bullying include:

- Physical: pushing, hitting, kicking, pinching or any use of violence
- Verbal: name-calling, spreading rumours, constant teasing, sarcasm
- Emotional: tormenting, ridiculing, humiliating, excluding, ignoring
- Related to race, religion, or culture: racial taunts, graffiti, and gestures
- Related to special educational needs and/or disabilities
- Related to appearance or health conditions
- Sexual: unwanted physical contact or sexually abusive comments
- Homophobic and biphobia: because of, or focussing on the issue of sexuality
- Gender based
- Transphobic
- Sexist
- Young carers or looked after children or otherwise related to home circumstances
- Cyber: all areas of internet, such as email, internet chat rooms, including misuse of Google Classrooms
- Mobile threats by text messaging and calls
- Misuse of associated technology: i.e., camera and video facilities

Discriminatory language:

A culture where discriminatory language goes unchallenged is likely to be a culture where bullying is more prevalent. Due to this, discriminatory language is not acceptable and will be challenged ie. using language such as “you’re so gay” or “that’s so gay” will not be accepted and will be challenged by staff.

How the school may respond (taken from Stonewall - Challenging Homophobic Language):

- A pupil makes a homophobic remark (or any other discriminatory language)
- Tell the pupil that homophobic language is not acceptable in school. Explain that this language is offensive
- The pupil continues to make comments, as does the rest of the class. Explain in more detail the effect of discriminatory/homophobic language and behaviour. Like racist language, this will not be tolerated
- If it continues, remove the pupil from the classroom and talk to them in more detail
- Involve senior leaders. The pupil should understand the sanctions that will apply if they continue
- Invite parents/carers to discuss the attitude of the pupil
- Take time to explain to parents why this is part of the anti-bullying policy. All pupils should feel safe at school

At Stanton Harcourt School:

- All staff must be alert to the signs of bullying and take immediate action in line with this policy
- Staff promote positive relationships
- Staff ensure that pupils are aware that all bullying concerns are taken seriously and are dealt with sensitively and effectively
- Parent/carers of all involved are kept informed and reassured that any issues of bullying are dealt with sensitively and effectively
- We support all parties involved in any incidents of bullying
- We positively encourage children to speak out if they, or someone else, is the target of bullying
- Children will be strongly encouraged to report any known bullying to an adult they trust
- We learn from good practice elsewhere and utilise support from other agencies when appropriate

Indicators of bullying:

Pupils who are being bullied may show changes in behaviour. Adults should be aware of these signs and should investigate if a child:

- is frightened of walking to or from school
- changes their usual routine
- is reluctant to go to school
- begins to truant
- becomes withdrawn, anxious, or lacking in confidence
- starts stammering
- attempts, or threatens suicide
- runs away
- cries themselves to sleep or has nightmares
- feigns illness in the morning
- comes home with ripped /damaged clothes, books etc
- asks for money or starts stealing
- has unexplained cuts or bruises
- continually loses or misplaces money
- becomes aggressive, disruptive, or unreasonable
- begins to do poorly at school
- stops eating
- won't say what is wrong
- is nervous and /or jumpy

These signs and behaviours could be indicators of other problems, but bullying should be considered and investigated.

Cyber Bullying

As children use technology more for their education, including for use of homework, it is important that the school supports children through appropriate use of technology. The school will teach children about how to stay safe online as part of the curriculum, but also about ways they can identify online bullying. The school will treat any form of online bullying seriously and following the same procedures as if it was physical bullying. If the incident has happened outside of school, we will make parents aware of the inappropriate use of technology.

Procedures:

The following steps should be taken when dealing with incidents

- All adults dealing with the incident follow the 'Checklist for managing a bullying incident' (appendix 1)
- Any reported or suspected incidents of bullying are recorded clearly on the appropriate form (kept in the school office – appendix 2 & 3)
- The adult reporting the incident to record the incident including any action taken to date
- The completed form is given to SLT
- A member of SLT interviews all concerned and contacts all parents as appropriate
- A record of all conversations is kept
- Appropriate measures to be agreed
- Additional staff are informed as appropriate
- If a criminal offence has been committed the police/PCSO will be contacted, and advice followed by the school
- The situation is monitored, and a review date is set

Children who have been bullied will be supported through:

- Offering an immediate opportunity to discuss the experience with a trusted member of staff and their class teacher or headteacher.
- Reassurance
- Offering on-going support to restore confidence
- Informing and working in partnership with the parents/carers
- Offered support from Eynsham's Anti-bullying Ambassadors
- Offered the opportunity to take part in nurture groups (where appropriate and possible)

Children who have bullied will be helped through:

- The opportunity to discuss what has happened and to reflect on their behaviour and actions
- Being encouraged and supported to reconcile and rebuild the relationship
- Establishing the wrongdoing and the need to change
- Informing parent/carers and working in partnership with them
- Use resources such as 'It's all about me' and 'I am' (designed for young people to complete to help with self-awareness, personal issues and to enhance the development of life skills)

Outcomes:

- Consequences will be put in place as appropriate. These could include being asked to apologise, time off the playground
- In serious cases, an internal, fixed term or permanent exclusion may be applied

After the incident has been dealt with it will continue to be monitored to ensure repeated bullying does not occur.

Prevention:

- The school participates in a focused anti-bullying week including assemblies and individual lessons for classes
- Additional weekly PSHE lessons/collective worship assemblies take place as appropriate
- There is a focus on positive reinforcement
- Adults act as positive role models
- The school actively promotes anti-bullying
- Children are well supervised in and around the school
- There are clear procedures for dealing with incidents
- All incidents of poor behaviour are tracked weekly (patterns of poor behaviour are investigated)

Liaison with parents/carers:

We will:

- Ensure parents/carers know who to contact if they are worried about bullying
- Ensure parents/carers have access to information about bullying and how they should support their child
- Work with parent/carers and the local community to address issues beyond the school gates that give rise to bullying
- Make parents/carers aware of how to access independent advice about bullying as available from www.oxfordshire.gov.uk/anti-bullying

Bullying incidents outside of school:

The Education and Inspections Act 2006 gives Head teachers the power “to such an extent as is reasonable to regulate the behaviour of pupils when they are off the school site (which is particularly pertinent to regulating cyberbullying)”.

DfE cyberbullying guidance states that “All forms of bullying (including cyberbullying) should be handled as a community issue for the whole school”. The guidance also states that “where bullying outside school is reported to school staff, it should be investigated and acted on” <https://www.gov.uk/government/publications/preventing-and-tackling-bullying>.

If incidents of bullying outside the school premises are witnessed by school staff, or reported to the school, the school will follow the same procedures as if the incident had happened within the school grounds. The school will work with other schools and agencies as appropriate to resolve the matter.
